Panelo – the en vogue window dressing of our times

Minimalistic and modern but with timeless chic all the same, Panelo panel curtains meet the trend. With a wide variety of colours about every taste can be met and versatile combinations are possible. As sliding panels on multi tracks, Panelo can alter its transparency just by sliding in front of each other. Striking colours can make a statement here. Panelo curtains are multi task decorations. For room-dividers, window decorations, to cover up shelves or protect from light or looks from the outside. With Panelo a room will receive a new and fresh atmosphere. Panelo hangs well and can be fitted easily and the colour line bears many possibilities to coordinate with your draperies.

Panelo Solea

Panelo Solea comes along with a basket full of colours. The ottoman-like structure creates an elegant look at the window. Especially for contract work, „Panelo Solea Wash“ has some additional properties. It is flame retardant and washable made of 100% Trevira CS.

Panelo Sunna

A very simple and effective horizontal stripe is the convincing design of Panelo Sunna. The washable FR-version „Panelo Sunna Wash“ is ideal for the use in offices , lobbies and hotels.

Panelo Nature

The natural look of this „Panelo“ is very modest but with its natural colours also very modern. A very organic looking structure with a natural mottled look is characteristic for Panelo Nature. It

lends the room a tranquil and cosy atmosphere.

Panelo Sunny

A very elegant but also very modern look is the entrée of Panelo Sunny. The wide horizontal stripes have a raffia structure and are coloured in naturals only. Although its transparency the performance of Sunny is stable and the see-through stripes are an eye catching feature.
